

Bridge No. 127; CR 4 over Christiana Creek

Elkhart County Project Manager: Jay Grossman

Design: RW Armstrong

Scope: Bridge No. 127 is a full bridge replacement project. In addition to replacing the bridge, Bridge No. 127 will be widened to two 12' wide lanes, have 8' shoulders on both sides and 6' sidewalks will be added. Construction of this bridge is anticipated to begin in the summer of 2013.
