

Bridge No. 189: County Road 40 over Stony Creek

Elkhart County Project Manager: Tom Rushlow

Design: Elkhart County Highway

Scope:

Information/Updates:

The county received \$448,000 in Federal Aid Bridge Funds to rehabilitate this structure. The rehabilitation includes replacing the existing beams and bridge rail.

April 25, 2011

The project is currently under design by the county highway engineering department and is scheduled to be constructed in 2012.

October 5, 2011

The design is progressing on this project. The replacement bridge will be about 8" wider than the existing structure. The crossing will be lowered to improve the design speed on the roadway. Construction will likely begin in the fall of 2012.
